1. BACKGROUND

- 1.1. The "Work" is the research article, review article, letter, clinical trial study, report, article, or other copyright work, as identified in the Copyright Letter and further detailed in *Schedule 1: Details of the Work* (including such form of the copyright work submitted to Bentham Open for publication pursuant to clause 4, below), but excluding (except where context otherwise requires) any diagrams, figures or illustration specifically identified to Bentham Open pursuant to clause 3.3, below.
- 1.2. Bentham Open and the Corresponding Author agree that these Open Access Publication Terms & Conditions, along with the details set-out in the Copyright Letter and in the Schedules, comprise the agreement between the parties relating to Work (the "Agreement").

2. AUTHORS

- 2.1. The individual/s identified in *Schedule 2: Authors* are the authors of the Work ("Author/s"). The Corresponding Author represents and warrants that he or she has full right and power to enter into this Agreement, and (where the Corresponding Author is not the sole author) that the Author/s of the Work consent and agree to the terms of this Agreement and have irrevocably granted all rights in the Work to the Corresponding Author in order to allow Bentham Open to publish the Work in accordance with the terms of this Agreement. Upon request from Bentham Open, the Corresponding Author shall at his/her own expense provide written evidence of the same to Bentham Open.
- 2.2. The Corresponding Author represents and warrants that the Author/s have, to the fullest extent permitted by applicable law, waived or undertaken to refrain from enforcing against Bentham Science, their moral rights in the Work. Upon request from Bentham Open, the Corresponding Author shall at his/her own expense provide written evidence of the same to Bentham Open.

3. COPYRIGHT LICENCE

- 3.1. The Corresponding Author retains ownership of the copyright in the Work, and hereby warrants that the copyright in the Work is licensed under the terms of the *Creative Commons Attribution 4.0 International Public License* (CC-BY 4.0), a copy of which is available at: <https://creativecommons.org/licenses/by/4.0/legalcode>, wherein (for the purposes of this Agreement) references to the "Licensor" shall be understood as references to the Corresponding Author, and references to "You" shall be understood as references to Bentham Open.
- 3.2. Bentham Open may commercially exploit any and all copyright in the Work, world-wide, in any format whatsoever. For the avoidance of doubt, and without limitation, the rights granted to Bentham Open by the Corresponding Author pursuant to this Agreement include the right to sell reprints of the Work and/or bespoke publications of the Work (including, without limitation, in combination with other works) in any format (including, without limitation, digital and/or hard copy print), and the Corresponding Author hereby acknowledges and agrees that the proceeds of such sales shall be entirely to Bentham Open's own account.
- 3.3. To the extent that copyright in any of the diagrams, illustrations or figures incorporated into the Work does not belong to the Corresponding Author, the Corresponding Author undertakes to specifically identify such diagrams, illustrations or figures to Bentham Open, and to procure (and warrants that it has procured) for Bentham Open

such rights as will enable Bentham Open to use (without limitation) such diagrams, illustrations and figures, without restriction, in the course of publishing the Work. Where context requires, references to "Work" in this Agreement shall include references to such diagrams, illustrations or figures.

- 3.4. Bentham Open may charge, assign and/or license the benefit of this Agreement in whole or in part, including (without limitation) any and all rights licensed to Bentham Open hereunder, and the benefit of any representations, warranties, indemnities and undertakings of the Corresponding Author, to any third party.

4. DELIVERY AND PUBLISHING

- 4.1. Bentham Open offers publishing via a variety of methods. - 4.2. The Assignor may, if so specified in the space provided in *Schedule 1: Details of the Work*, opt to have Bentham Open, or its third party contractor, provide a short animated video summarising the salient aspects of the Work, on the basis that all rights, title and interest in such short animated video shall become part of the Work for the purposes of this Agreement. The provision of such service by Bentham Open or its third party contractor shall be subject to the prevailing terms and rates relating to such service. Such animated video shall be made available, by Bentham Open, on an open access basis under the terms of the *Creative Commons Attribution 4.0 International Public License* (CC-BY-NC-ND 4.0), a copy of which is available at <https://creativecommons.org/licenses/by-nc-nd/4.0/>, and Bentham Open shall retain all rights to exploit the video commercially.
- 4.3. The Corresponding Author undertakes to provide to Bentham Open, by the deadline specified in *Schedule 1: Details of the Work* (the "Submission Deadline"), an electronic copy of the Work in a high-quality, professionally prepared, production-ready format. The Corresponding Author undertakes to ensure that all pages of the Work so submitted have been proof-read carefully, and that all diagrams, illustrations, figures and captions, are of excellent quality, with regard to both substance and form.
- 4.4. The Corresponding Author represents and warrants that the Work has been prepared in accordance with the relevant Guidelines, and checked for all possible linguistic inconsistencies and errors, including grammar, style and typography, by someone with a high command of the English language and familiarity with academic writing in the English language. ("Guidelines" means the Instructions for Authors available on the Bentham Open website, as well as the Aims & Scope applicable to the relevant Bentham Open publication.) Bentham Open's nominated service provider, Bentham Open, offers English language support services which Assignor may elect to utilise in respect of the Work by completing the applicable box in *Schedule 1: Details of the Work*. The provision of such services by Bentham Open shall be subject to Bentham Open's prevailing terms and rates relating to such type of optional support.

- 4.5. In the space provided in *Schedule 1: Details of the Work*, the Corresponding Author shall disclose whether or not the Work reports experiments involving humans or animals.
- 4.6. Bentham Open shall be entitled to carry-out such minor amendments or adjustments to the Work as it considers necessary in order to ensure conformity with Bentham Open's production and presentation requirements. If Bentham Open notifies the Corresponding Author that the Work requires amendments or adjustments beyond what Bentham Open considers to be minor, then the Corresponding Author may opt to either: i. address such issues directly (within a reasonable timeframe specified by Bentham Open), or ii. instruct Bentham Open to address such issues. If the Corresponding Author instructs Bentham Open to address the issues, Bentham Open's terms and rates relating to this type of optional support shall apply, and Bentham Open shall confirm the likely costs to the Corresponding Author before commencing any such work.
- 4.7. For quality monitoring purposes, Bentham Open will seek a review of the Work by specialists familiar with the subject matter. The Corresponding Author acknowledges and agrees that acceptance of the Work by Bentham Open and publication of the same shall be subject to positive peer review by independent referees.
- 4.8. Nothing in this Agreement shall restrict Bentham Open from publishing and marketing the Work in any manner (including via third parties such as third party aggregators). Bentham Open reserves the right to refrain from publishing the Work, or to withdraw the Work from circulation following publication, at its own discretion. Without limitation, Bentham Open may exercise this right if it determines that the Work contains language errors that exceed 5% or more of the total Work (based on total word count), if the work fails to conform with Bentham Open's production and presentation requirements, if the work attracts undesirable or negative publicity that Bentham considers may impact on the reputations of the Author/s or Bentham Open, and/or for its own commercial reasons.
